

Assignment #11

Due Friday 5/1/15 by 6 p.m.

Always explain and show the calculations used to arrive at your answers.

Wooldridge pp. 545-546: #6, 10

Wooldridge pp. 575-576: #1, 2, 4

Wooldridge p. 578, #C1

Wooldridge, p. 623: #6

(I know we aren't covering this material until next Monday, but see if you can answer it intuitively anyway)
